LIST OF D. P. W. SUBJECTS.

CHITALDRUG DISTRICT

Subject and speaker	Summary of discussion	Reply of Govt.
Subject No. 274 Additional sluice to the Kathral tank. Mr. Mysore Venkatramaiya of Chitaldrug Taluk.	The new Kathral Tank in the Chitaldrug Taluk fills easily, but has only one sluice provided for it which is not of much use to the people of Government villages. It is requested therefore that another sluice with channels be provided for the eastern portion of the tank so that the lands of 10 or 15 villages extending over a distance of seven or eight miles might be irrigated to the advantage both of Government and of raiyats.	Referred to P. W. D.
Subject No. 275 Restoration of the tank near Kalhalli. Mr. Mysore Venkataramaiya of Chitaldrug Taluk.	The tank near Kalhalli in the Chitaldrug Taluk, for which an estimate has been prepared in the Public Works Department, may be taken in hand at once as thereby the raiyats of seven or eight villages will be benefited.	Public Works Department will expedite.
Subject No. 276 Construction of a tank across Sagali Halla. Mr. Parvatappa of Holalkere Taluk.	The desirability of constructing a tank near Kagalgere across the Sagali Halla near Bharamanayakanadurga has long been pressed upon the Government. The Public Works Department have investigated the project which if carried out would bring under wet cultivation nearly 1,000 acres of land belonging to six villages. Early orders for the construction of this tank are therefore solicited.	The project is understood to be under investigation in the Public Works Department.
Subject No. 277 Lokikere project. Mr. H. S. Nanjunda Rao of Davangere Taluk,	The Lokikere project for which plans and estimates have already been submitted for sanction may be taken in hand at an early date.	Referred to Public Works Department for early disposal.
Subject No. 278 Construction of an Ane across Hirehalla. Mr. H. S. Nanjunda Rao of Davangere Taluk.	The surplus water of the Anaji tank flows into Hirehalla across which an ane may be constructed near Dyamavanhalli and Kittur so as to afford facilities of irrigation to the lands of those villages.	Referred to Public Works Department for investigation.
Subject No. 279 Diverting the water of the Avergerehalla into Anekonda Tank. Mr. H. S. Nanjunda Rao of Davangere Taluk.	The diversion of the water of Avergerehalla into the Anekonda Tank is a project which may be considered in the Public Works Department.	Referred to Public Works Department.
